Each quarter, Baker College Online will publish the list of Honor Students in this newsletter. The faculty and staff at Baker College Online are extremely proud of our students' accomplishments. This publication is an opportunity to show how proud we are!

The following is a description of academic honors students may earn each quarter.

The President's List. Students who earn a 4.0 GPA during a quarter in which 12 credit hours or more were completed will be placed on the Presidents' List for publication in the Baker Online Honors Newsletter the following quarter.

The Full-Time Student Deans' List. Students who earn a 3.5 to 4.0 GPA during a quarter in which 12 credit hours or more were completed will be placed on the Full-Time Student Deans' List for publication in the Baker Online Honors Newsletter the following quarter.

The Part-Time Student Deans' List. Students who earn a 3.5 to 4.0 GPA during a quarter in which 4 to 11 credit hours were completed will be placed on the Part-Time Student Deans' List for publication in the Baker Online Honors Newsletter the following quarter.

We added a new feature to the Honors newsletter. We now list members of the National Society of Collegiate Scholars. NSCS at Baker College is an honor society inviting high-achieving freshmen and sophomores. Members must have a GPA of 3.4 or above and rank in the top 20 percent of their class.

Congratulations to all Honor Students and Graduates! We are proud of you! I hope you have a great Summer!

Sincerely,

Dr. Julia A. Teahen, President
