- A 2.5 GPA must be maintained in all PTA level courses to advance to the following quarter.
- All PTA courses must be taken in sequence after acceptance to professional portion of program.
- See program director for other admission criteria to PTA Program.

** A final course grade of B- or better is required to be eligible to PTA Program

Students who do not follow this rotation schedule exactly might not complete this program in seven quarters, as certain courses are offered only once per year. Adjustments will also have to be made if you attend in summer, do not take 16 credit hours or more per quarter, or attending nights. Please be sure to check all notations, prerequisites, and corequisites. Students should initiate graduation paperwork during the quarter prior to program completion.

All course offerings are subject to change. Summer course availability is limited.
