3 Hour Renewal and Continuing Competency Course for Builders and Maintenance & Alteration Contractors

Business & Corporate Services is offering a 3 hour continuing competency course to help existing builders meet State of Michigan requirements. Individuals who were initially licensed prior to January 1, 2011 are required to have 3 hours of continuing competency. 3 hours of continuing competency is required in order to renew existing builder's licenses before May 31, 2016. The course is approved by the State of Michigan and covers all required elements including 1 hour of building codes and laws, 1 hour of safety and 1 hour of changes in construction and business management rules and laws.

Baker College will certify that participants have met individual parameters as established by the State of Michigan and will issue certificates verifying completion.

Sessions are facilitated by architect Jed Dingens, AIA, LEED AP, the owner of Dingens Architects. Mr. Dingens is an approved instructor by the State of Michigan for Builders Prelicensure.

The course will be offered on May 24 from 6:10 p.m. to 9:30 p.m. at the Baker College, Welcome Center in Room C & D for a cost of \$59.50.

If you would like to receive training flyers via e-mail, please contact Megan Garvin at (989)729-3615 or e-mail megan.garvin@baker.edu
