SECTION I

Name, Last First Middle Maiden

UIN #: _____

Street/City/State/Zip: _____

Home Phone: _____ Work Business Phone: _____

SECTION II

I understand that admission into the Medical Laboratory Technician Program is contingent on the following:

- ☐ The completion of all program pre-requisites with a minimum of 2.7 GPA.
- ☐ The numerical point system as outlined in the Program Information Packet given during student orientation and available online.
- ☐ The availability of clinical affiliates.

I realize that it is my responsibility to see that my file in the program office is kept current at all times. This includes, address, and telephone number or any transcripts from other colleges or universities attended as well as updated vaccination status. The applicant will be subject to a criminal background check.

As a student enrolled at Baker College of (_____), I realize and understand that my admission into the Medical Laboratory Technician Program Professional Track is contingent upon the completion of specific prerequisite courses with a minimum average of 2.7, and upon the availability of clinical affiliates. I understand that the clinical components of the Medical Laboratory Technician Program are offered at various clinical affiliations throughout the state which may involve relocation during that time of internship.

I understand that, in order to remain in the MLT program, I must maintain a 2.7 GPA in each of the professional MLT courses.
