⇒ **REMINDER:** Balances were due in full at the end of week 6, **May 13th, 2016**. If you have not paid your balance in full, you can do so in the Financial Services Office, by phone, or online via the SOLAR System.

⇒ **You CANNOT register for future quarters with a balance due!**

⇒ If you have pending financial aid resulting from grants, loans, or scholarships, you may not be able to register for classes until all requirements are met to receive those funds.

⇒ **ATTENTION: New Student Loan Borrowers!** You MUST complete the Master Promissory Note and Entrance Counseling at www.studentloans.gov to receive your loan funds.

⇒ **Dropping/withdrawing from a course:** When withdrawing from a course, students will find it beneficial to consult the Financial Services Office. A visit to Financial Services will help to evaluate the student's current account status and to coordinate financing for future terms. Additionally, Academic Advisors will meet with the student to discuss the effects of not completing a course and help determine ways to stay on course to graduation.

Thank You to everyone who participate, donated, and volunteered for the 1st

Annual Relay for Life 5K Run/Walk.

We had 39 participants at the event and raised \$335 for Relay for Life. The Baker College Relay for Life team has now raised over \$1,000.

1st ANNUAL STUDENT-STAFF SOFTBALL GAME

What a great turn out at last month's Student vs Staff Softball Game. There were a total of 12 staff members participating from many areas of the college including admissions, financial services, residence life, the CIM, IT, and the ARC. Nearly 20 students took a swing on the student team. This event was a great bonding experience for all parts of Baker College.

Cheers to the staff who participated and took home the big win!

Thank you to all who participated, until next year!

Radiologic Technology Application Deadline

Radiologic Technology applications are now available in the faculty wing reception area. They may be completed and turned in any time before June 23, 2016.

The HESI entrance exam portion of the Radiologic Technology Application is being offered Friday, June 3 (week 9). Stop by the Baker Bookstore today to purchase your HESI voucher. Once purchased please contact Laurie Flagstead 231-777-5347 with your testing time choice of either 9:00 or 1:30 on June 3. If you are leaving a message, please include your UIN number.

A student does not have to be a radiologic technology major at the time of application to the program, and it is unnecessary to wait on spring course grades before submitting the application as they will be checked at the end of the quarter.

If you have questions about the Radiologic Technology program, please contact Cameron VanderStel at 231-777-5224 or cameron.vanderstel@baker.edu or Laurie Flagstead at 231-777-5347 or laurie.flagstead@baker.edu
