Program Information

Criminal Justice

Bachelor of Science in Criminal Justice

Campus: Online.

Program Description

This program prepares graduates with the skills, tools, and methods needed to work in the criminal justice profession. The program explores the philosophical underpinnings of crime and justice. Graduates will understand the interrelatedness of police, corrections, and the courts.

Concepts of justice, duty, and societal issues will be examined along with various ethical issues related to criminal justice topics. Graduates will model ethical behavior and a commitment to service with the skills necessary to respond to complex and dynamic situations appropriately. Interpersonal communication and writing skills germane to the criminal justice profession are practiced throughout the program.
