**Please note:**

1. Business core classes are offered in each session. So they are not on a rotation schedule. Therefore, they are not on this sheet.
2. If you have one major core class as a prerequisite to all other major core classes, this one class is not reflected on this rotation schedule because it is offered during all sessions like the business core classes.
3. If your concentration is General Business, you will select three of the major core courses to fulfill the three electives required. Please make note that you will have to have met the prerequisite for each of these courses before you may take the major core course that you have selected.
