Retirement Plan

The College provides a defined contribution 401(a) retirement plan through Empower Retirement for all employees who meet the requirement of working 1,000 hours or more in the fiscal year. A contribution is made into the participant's plan, annually, if they work 1,000 or more hours in a fiscal year. The contribution is equal to 8% of the employee's annual, regular wages; this is *not* a payroll deduction. Employees are not able to contribute money from their paychecks into their Empower pension account.

How It Works:

- Employee becomes eligible for the pension plan once they work 1,000 hours during his/her first 12 months of employment or during a fiscal year (Sept 1– Aug 31)
- If an employee becomes an eligible participant in the pension plan, the College will make an annual contribution of 8% of regular wages into the employee's pension account
- Employee determines how and where the money is allocated within the Empower Pension Plan
- If the employee does not determine their investment allocation(s), the employee will be automatically enrolled into the Lifepath Index (Black Rock) account reflective of the year in which they turn 65

Vesting Cycle:

- There is a five (5) year vesting cycle for the Plan
- A year of vesting is earned for each fiscal year the employee works 1,000 hours or more
- Employee is 100% vested in the Plan after earning five vested years

Vested Years of Service	Vested Percentage
0-1	0%
2	20%
3	60%
4	80%
5+	100%

403(b) Plan

The 403(b) voluntary benefit allows an employee to designate their investment choice and determine the amount they would like to contribute from their paychecks. This benefit is separate from the Baker College 401(a) Pension Plan. The 403(b) benefit is fully funded by employee payroll contributions without any matching contributions from Baker College. An employee's 403(b) account must be set up under the Baker College Plan in order for payroll deductions to begin. The 403(b) benefit is voluntary with no waiting period to enroll, and all part-time and full-time employees are eligible to participate.

Eligibility:

- All Baker College employees who receive compensation reportable on an IRS Form W-2 are eligible to participate in one of the 403(b) plans

The Lincoln 403(b) through Baker College provides:

- An investment lineup that includes a range of passive and active investment options, plus target date funds and a self-directed brokerage account.

Application Process:

- Employees needing to utilize the Emergency Fund resources should complete the Emergency Fund Application.
- All submitted applications will be reviewed by the President's Leadership Cabinet to determine eligibility.
- Approved employees will be notified by email.

Award Criteria:

- Awards are granted based on individual circumstances and available budgeted funds.
- Decisions are made by the President's Leadership Cabinet on a case-by-case basis and are not considered loans, requiring no repayment.
- The awarded amount may be less than the requested amount, depending on available funding.
