SECTION 1: RESIDENCE LIFE PERSONNEL

1. RESIDENCE LIFE PERSONNEL
Many people are involved in the development of the residence hall community. All Residence Life personnel have been trained to provide support services for residents. They are responsible for the operation of their building, enforcement of Baker College (herein referred to as College) guidelines and regulations, and the development of the residence life community.

2. DIRECTOR OF RESIDENCE LIFE
The Director of Residence Life is a professional staff member who is responsible for the supervision of the Residence Hall Coordinators (RHCs) and the overall operation of the Residence Life Department. If you have any questions or concerns that cannot be handled by the RHC, please contact the Director of Residence Life.

3. RESIDENCE HALL COORDINATOR (RHC)
Residence Hall Coordinators are professional staff members who reside in the residence hall facilities. They are responsible for the supervision of residence hall staff and the overall operation of the residence halls. Should you have any questions or concerns regarding Residence Life policy or procedure, contact the Residence Hall Coordinator.

4. RESIDENT ASSISTANT (RA)
Resident Assistants are student staff members who reside in the residence hall facilities. Each resident is assigned a Resident Assistant (RA) who provides leadership and has had training in dealing with human relations. At least one Resident Assistant is always on duty and available in the residence halls. RAs are responsible for providing support and assistance to all residents in creating an atmosphere conducive to growth and learning.

Some of their areas of responsibility are to:

1. Get to know each resident on his/her floor/area.
2. Communicate with each resident regularly and frequently.
3. Assist residents with peer guidance and conflict resolution.

4. Guide residents in need of special help and counseling.

5. Be visible in the halls and available to all residents.

6. Develop concepts of “community responsibility”.

7. Be involved in group-building endeavors.

If you have any questions about ANYTHING at Baker College, your RA is the person to contact. If he/she does not know the answer to your question, the RA will know how to find someone who does.
1. LICENSING AGREEMENT, TERMINATION/RELEASE
The Residence Hall Licensing Agreement, which must be signed each year, obligates a student to live in a College residence hall for the entire academic year (Fall, Winter, and Spring quarters). Summer quarter housing may be available as a supplement to the licensing agreement. This is in accordance with regulations of the College as specified in the Residence Hall Guidelines and the Baker College Residence Hall Licensing Agreement.

2. CLOSING AND CHECK-OUT PROCEDURES
At the beginning of each vacation period (Thanksgiving, Fall, Winter, Spring, Summer quarter endings) all residents are required to officially check-out with their Resident Assistant. At that time, the RA will inspect each room to ensure that all garbage has been disposed of and that the room is clean. The College retains the right to adjust this policy for individual circumstances solely at the College’s discretion. Failure to follow proper check-out procedures is in violation of College regulations and will result in additional charges or disciplinary action.

The residence halls officially close on the last day of each quarter. Students not registered for future quarter classes, or students who fail to properly check-out at the close of each quarter will be considered in violation of our guidelines and a non-resident. Property left behind will be removed and discarded by the College, at the owner’s expense. **Baker College does not assume responsibility for property that is abandoned, damaged, lost or stolen.**

The residence halls will officially close on the last day of each quarter no later than 5:00 p.m. It is the responsibility of each student to find temporary housing during regularly scheduled vacation periods (see calendar). Residence hall check-out procedures will be posted in the halls. Residents must check-out with an RA after the student’s last regularly scheduled class. If a student leaves without properly checking out, he/she will be assessed a $75 improper check-out fee. **All personal items must be removed from the residence halls within forty-eight (48) hours of leaving the halls. Baker College of Flint will not be responsible for those items left in a vacated room after forty-eight (48) hours and**
may discard these items. If a student needs to stay over break, the student must put his/her request in writing and turn the appropriate forms into the Residence Hall Office no later than Friday of week 8 at 4:00 p.m. Requests after this time will not be accepted.

Break Accommodations
Residents seeking residence hall accommodations during break periods are required to meet with their Residence Hall Coordinator and complete a special application process at least two weeks prior to the break, and must pay the Business Office in advance. The College inspects each room during each break period. No accommodations will be approved/allowed during the entire week of Christmas. Students with current behavioral concerns are not eligible for break accommodations.

3. CONSOLIDATION
Baker College reserves the right to consolidate students into under-assigned units as a matter of fairness and for energy savings. Once classes begin each quarter, students who don’t live in a designated single unit, but find themselves without a roommate during the first four weeks of the quarter (at no fault of their own), may be subject to room consolidation. Students in these circumstances will be given these three options:

1. Have another student who is living alone move in with him/her.
2. Move into a room that is occupied by another student(s).
3. Retain the room as is, knowing that the Department of Residence Life is actively seeking to find them a new roommate (the student must keep the unoccupied portion of the room in such condition that it will be possible for a new roommate to move into the room at any time)

Every effort will be made to notify the student immediately if the need for consolidation arises. If conflicts about moving occur, the student with the least number of earned credits will be required to move. Any student’s attempt to block, discourage or add undue pressure to a roommate specifically assigned a given space may result in disciplinary action, including cancellation of his/her Residence Hall Licensing Agreement. Students who lose their roommate(s) after the fourth week of the current quarter will not be subject to consolidation.

4. DEPOSIT
A room reservation/damage deposit of $50 is required of all students and is due at the time of application for admission to Residence Life.
5.  ELIGIBILITY TO LIVE IN RESIDENCE HALLS

To live in a Baker College residence hall:

i. Residents must be full-time (12 or more credits) enrolled students at Baker College to move into the residence hall. For summer quarter, students must be enrolled for at least 4 credit hours. Residents are not allowed to take more than 50% of their classes on-line per quarter without prior Housing Administration approval.

ii. Students wishing to reduce their credit load to less than 12 credit hours must submit a “Request to Withdraw” form to the Residence Life Office for a final decision regarding that student’s eligibility to remain in the halls.

iii. Students who do not register for, or who withdraw from all classes will be ineligible for College residency. A non-student already in a residence hall will be required to vacate the room immediately and is responsible for all damage charges incurred to that point.

iv. An applicant having a conviction resulting from a felony charge and/or Criminal Sexual Conduct (CSC), or has a pending charge will not be accepted or allowed to remain in Baker College Residence Halls.

v. Students whose homes are located within the county of the campus they are attending are not eligible for accommodations without special permission from the College and only if space permits.

vi. Students who have been academically suspended must formally re-apply to Residence Life after at least one full quarter following their suspension. Students reinstated to the College are not automatically readmitted to residence halls.

vii. Class attendance will be monitored each week and reviewed with residents as needed. Residents are encouraged to maintain an 85% attendance rate. Residents placed on academic agreements must meet required attendance rates or risk dismissal from the halls.

viii. Any student dismissed from the residence halls for disciplinary reasons must vacate the premises within the time period stated in the terms of the dismissal and will not be allowed visitation privileges. Abandoned property will be removed and/or discarded by the College.

ix. Applicants younger than 17 or 25 years of age or older will not
be allowed residency in traditional housing units, except by permission of College Administration.

x. Single family housing units are only available on the Flint campus at this time.

xi. Baker College has the sole right to determine who may live in College owned facilities.

xii. All applicants are required to undergo and pass a criminal background check.

If you are placed in the SI program, you can be removed from housing for violation of your attendance contract even if you meet all the housing eligibility requirements.

6. RESIDENCE HALL COSTS
Residence hall fees include utilities are payable in advance to the Business Office. Residence hall rates are subject to change at the beginning of any quarter.

The residence hall rate for a four-person apartment (Baker Hall East) is $1000/quarter/student. Six-person suites (Baker Hall West) are $1050/quarter/student.

To inquire about the availability of reduced occupancy rooms and rates for Baker Hall East/West, please contact a Residence Hall Coordinator.

Residence hall rates are subject to change at the beginning of any quarter. Room fees themselves are not refundable if the departure is any time after the beginning date of the quarter, if voluntary or a function of dismissal for disciplinary reasons.

7. REFUND
If a student leaves in good standing at the end of the school year, or graduates, the $50 deposit will be refunded within 45 days of the student’s departure by the Baker College Business Office. The deposit and/or residence hall fee will be forfeited if the student withdraws from the residence hall and/or College, is dismissed for disciplinary/academic reasons, or does not provide written notice of cancellation by:

- Fall: September 1
- Winter: December 1
- Spring: March 1
- Summer: June 1

Upon leaving, charges for any damages will be withheld from the deposit. If the student has an outstanding balance with the College the deposit will be applied directly to that amount. During a student’s stay in the residence hall damages will be billed to the student’s account and
must be paid within 10 days.

If for any reason a student leaves during a quarter, there will be no refund of deposit or room fees for that quarter.

8. ROOM CHANGES
Part of the value of residing on campus is learning to live with and among people from a variety of backgrounds who may possess different values. A conscious effort should be made by all students to resolve any differences which may arise. If this cannot be done, contact a Resident Assistant. He/she will work to assist in the resolution. If the result necessitates a room change, a “Room Change Request” form must be filled out and approved by the Residence Hall Coordinator. Under no circumstances may a student change rooms without prior consent by the Residence Hall Coordinator. Unapproved room changes (within unit, suite, building, or campus) are prohibited and will result in disciplinary action.

Requests for changes of room assignments made on the basis of race, color, or religion violate the College’s anti-discrimination policy and **will not** be considered. Room change requests forms will be accepted after the start of each quarter; however, authorized room changes will not occur until week 3 or later. Every attempt should be made to have all changes made by the move-in date for the following quarter. Final determination for all room changes will be at the discretion of the RHC. Room change requests will not be considered for students placed on behavioral contracts or who have current year discipline in their files.
1. **BEDS**
Personal beds, lofts, and waterbeds are considered a potential safety hazard for student rooms and are prohibited. Beds may not be un-bunked or block room entrance or windows.

2. **BICYCLES AND SKATEBOARDS**
Bicycles are prohibited inside the residence hall. Bike racks are provided on campus and bicycles should be locked to bike racks. Bicycle racks are located outside Baker Hall West and East. The Living Center does not have bicycle racks. Skateboard usage is not permitted anywhere on Baker College of Flint’s campus.

3. **CANDLES AND COMBUSTIBLES**
The use or possession of fireworks, other explosives, combustible materials and/or potentially harmful chemicals in the residence halls or the immediate vicinity thereof is prohibited. Candles, candle/tart warmers, oil lamps, incense, and any other open flame devices are strictly prohibited.

All electrical appliances should be UL tested and safe. Approved surge protector power strips are permitted. Open coil heat producing devices such as hot plates, toaster ovens, and electric heaters are prohibited.

If you are unsure whether or not an appliance is permitted in the residence halls please contact an RHC. Also, be aware that you and your roommates/suitemates will be sharing outlets thus bringing a large number of appliances is highly discouraged.

5. **ENERGY SAVINGS**
During break periods and between quarters, all electrical appliances must be unplugged in all unoccupied rooms. This includes clocks, stereos, etc.

---

**Attention:** Unannounced room inspections by campus residence hall and safety personnel, aided by drug detecting devices and canines will be conducted at various times throughout the year. These inspections are intended to deter drug and alcohol use, as well as to identify health and safety hazards.
6. ENTERING RESIDENCE HALL UNITS

1. Residence Life staff may enter and/or permit other College personnel to enter students’ rooms at any time.
2. Maintenance personnel may enter for inspection of physical equipment, repair, refurnishing, or replacement.
3. College personnel may enter when there is probable cause that a College guideline has been violated.
4. College personnel may enter when there is an indication of danger or hazard.
5. During non-contracted periods, such as between quarters and/or holiday breaks, College staff will conduct inspections and maintenance activities.

The College reserves the right to remove from the room, without the resident’s permission, any object or material which constitutes a health or safety hazard, is the property of the College, or is a violation of College guidelines. Upon inspection of a student’s room, if the College finds any violations of federal, state, local, or College guidelines and regulations, the occupants of the room will be referred for legal or disciplinary action and damage charges will be assessed.

Rooms will be inspected randomly and at the end of each quarter by the Residence Life or maintenance staff. All maintenance and housekeeping deficiencies will be noted and charges will be assessed.

The College will not assume responsibility for personal items that are abandoned, damaged, lost, or stolen.

The furniture in the hall lounges is for the use and enjoyment of all residents. DO NOT REMOVE FURNITURE FROM LOBBY OR LOUNGE AREAS.

Any student found with public area furniture may be charged to return
the furniture. Students possessing College property such as chairs, cushions, tables, etc. will be referred for disciplinary action.

If furniture is moved around within your suite it must be returned to the same bedroom or main room when you move out. Furniture may be rearranged within the lobbies for study groups or group meetings but no damage can occur and the furniture must be replaced in its original arrangement. If for any reason your furniture gets broken or damaged during the course of the school year, you must report it to an RHC or RA. If you do not report the damage, charges will be applied to you or split among your suitemates.

Your residence hall unit will be the center of your activities in the residence hall. Your residence hall unit is not just a place to keep your belongings and sleep. It can also be a study room and a place where you will live with other people and practice cooperative living. You and your roommates will negotiate with your RA times for studying, sleeping, visitation and relaxing in order to live together successfully.

In decorating your room, common sense is essential for a safe and attractive living environment. Decorations should not block entrances or cause a fire hazard. previous approval by an RHC, risk disciplinary action.

Routers are not to be used in conjunction with the College’s network at any time. Violations of these policies will result in disciplinary action. The Acceptable Usage Policy can be found on our website at [https://www.baker.edu/departments/cis/ppp_policy.cfm](https://www.baker.edu/departments/cis/ppp_policy.cfm).

   The use of computers, cell phones, or any other media devices for the production and/or distribution of inappropriate materials, including but not limited to obscene/pornographic materials, is prohibited.

   The Computer Labs are provided first and foremost for academic use. Students using these machines for academic purposes have priority over
those utilizing these resources for personal/recreational use.

No software is allowed to be downloaded onto any College computer other than by authorized College personnel.

**Peer-to-Peer (P2P) File Sharing at Baker College:** Baker College is committed to reducing the illegal uploading and downloading of copyrighted works through peer-to-peer (P2P) file sharing on campus or residence hall networks. Students and employees need to be aware that such illegal distribution of copyrighted materials may subject them to criminal and civil penalties.

Baker College prohibits the use of all P2P applications such as BitTorrent and Limewire. In compliance with this policy these technologies are blocked and anyone attempting to circumvent the block is in violation of this policy. Users in violation of College policy are subject to disciplinary action in accordance with their position at the College.

If you are using Baker College’s computer network, including any classrooms or laboratories, offices, residence halls, or College-provided wireless connections, the College is your Internet Service Provider (ISP). The Digital Millennium Copyright Act of 2001 requires Baker College to block access to copyrighted materials in a timely fashion when notified that users on its network are sharing copyrighted files.

Complaints typically arrive directly from software, music, and motion picture associations, law firms, and copyright holders in the form of inquiries requesting the College to respond with the name of the user that was on the network at the time the computer was performing certain actions. Sometimes these complaints come in the form of “Early Settlement Letters”.

Baker College network officials forward these inquiries or letters to the supervisor of the identified user, or -- in the case of occupants of residence halls -- to the residence hall directors. Baker College will not release the name of the student or employee to the alleged copyright holder unless served with a proper subpoena, court order, or other legal process.

By forwarding these inquiries or letters to the supervisor or the hall director Baker College has made no determination as to whether the student or employee has engaged in copyright infringement, or that the user should enter into an early settlement with the copyright holder.
Baker College believes that users should seek legal counsel before responding to these letters.

4. **HALLWAYS**
All public area hallways should be used in an appropriate manner that does not interfere with the rights of residents. The noise level in the hallways should be kept at a normal conversational level at all times. Hallways are not areas for public gatherings or recreation.

5. **LAUNDRY ROOMS**
Each residence hall offers laundry facilities for the convenience of the residents. When using the washers and dryers, stay nearby to take care of your clothes promptly. It is your responsibility to clean the washer and dryer, as well as the lint filter, after you have used them. **The College is not responsible for abandoned, damaged, lost or stolen items from the laundry facilities.**

6. **LOUNGE USE**
Each residence hall has a lounge area which students are encouraged to use. Most lounge areas are equipped with cable television and comfortable furniture.

All residents are responsible for the care and upkeep of lounge and public areas. No furnishings or equipment may be moved or removed without staff approval. Violators will be charged and referred for disciplinary action.

Students are encouraged to use discretion when bringing food and beverages into the lounge areas. It is the responsibility of the student to clean the lounge after use. If furniture has been re-arranged, it is the responsibility of the student to move all furnishings back to their original location. Students found in violation will be charged accordingly.

7. **PARKING AND AUTOMOBILES**
Residents who have automobiles on campus must have a parking permit at all times. Permanent permits may be obtained from the Campus Safety Office. Failure to abide by these and other rules regarding parking will result in tickets being issued and/or towing of your vehicle. It is the student’s responsibility to pay fees related to parking violations prior to the end of the quarter. Vehicles may not be left on campus between
quarters unless a written request is submitted to and approved by the Director of Campus Safety.

8. **PUBLIC AREAS**
Each residence hall has designated public areas. They may include: reception areas, lounges, study rooms, hallways, stairwells, restrooms, laundry areas, and recreational areas. These areas are for the use of the residents and their designated guests only. The furnishings and public area equipment are all property of the College and should not be removed or abused. Violators of this policy will be charged for damages and referred for disciplinary action. All residents will be held accountable for the condition and upkeep of all public areas and furnishings. Any undetermined damage or vandalism will be divided and billed equally among all residents. After final check-out, all damages will be billed against the residence hall room reservation/damage deposit. All residents are expected to promote building safety, security, and prevent guests from damaging public areas.

Residents and guests are expected to be in appropriate dress while in public areas.

Public areas extend to the area immediately surrounding the buildings; specifically, under the awning at Baker Hall West/East and the patio at Baker Hall East. Damages and violations will still be charged accordingly should they occur in any of the areas discussed above.

9. **STUDY ROOMS**
Study rooms and the equipment in them are for residence hall students only. Do not remove any equipment from the rooms.

If you find that a piece of equipment is broken, please report it to a Residence Hall Coordinator or a Resident Assistant. Please respect the rights of others and use the study rooms for quiet study time only.

Outside guests may visit only during posted visitation hours and MUST BE accompanied at all times by the guest’s host resident. The front desk staff will call the host down to the front desk to accompany the guest back to his/her room. The guests at no time will be permitted to walk to the host’s room by themselves. A guest needs to be with a host when he/she is in the building, which consists of the lobby, hallway, and/or the resident’s room. A guest will be asked to leave if he/she is not signed in and/or with his/her host.

8. OVERNIGHT GUESTS

During finals and mid-term weeks, 24-hour quiet hours are enforced. During quiet hours, residents are required to refrain from noisy behavior or activities. All other times will be ‘courtesy hours’ during which time residents are required to keep noise at a level sensitive to all residents’ requests and needs.

The College reserves the right to remove any equipment not in compliance with quiet hours (i.e. personal stereos, radios, TVs, games, etc.).

10. RECREATIONAL EQUIPMENT
All recreational equipment intended for outdoor use is not to be used within the residence halls. The use of the Baker College name on any advertising by a student for business purposes is not allowed.

13. DISCIPLINE
Student conduct which is in contrast to posted guidelines/policies is subject to disciplinary action. All records of student discipline which occur within the residence halls are kept confidential, unless authorized by the student, and retained within the Department of Residence Life.
Amendments to the disciplinary sanctions and/or timeline are at the discretion of the Residence Hall Coordinator and/or Director of Residence Life. An outline of disciplinary action in which the College has the authority to enact is as follows:

**Written Warning:** Constitutes the least severe consequence for policy/guideline violation. A written warning consists of a signed and dated statement pertaining to the student conduct and subsequent disciplinary action.

**Minor Infraction Status:** Constitutes the second level of disciplinary action for student conduct found to be in violation of posted policies/guidelines. Minor infraction status typically will remain on the student’s record for the remainder of one full calendar year. A student may be placed on minor infraction status if a written warning has already been issued.

**Major Infraction Status:** Constitutes the third level of disciplinary action for student conduct found to be in violation of posted policies/guidelines. Major infraction status typically will remain on the student’s record for one full calendar year. A student may be placed on major infraction status if a student has already been issued a written warning or minor infraction status.

**Probation:** Continued disregard for policy, multiple policy violations, and/or belligerent policy violations may be grounds for a student to be placed on probation. Probation typically will remain on the student’s record for one full calendar year. Any policy/guideline violation that may occur while on probation may lead to further disciplinary action up to and including dismissal from the residence halls.

**Behavior Contract:** A student may be placed on a behavior contract for a number of reasons including preexisting disciplinary action, continued disregard for policies/guidelines, and/or violation of probation. Should a student be placed on a behavior contract, their continued status as a housing student will be subject to review at the conclusion of each academic quarter.

**Suspension:** A pre-determined period of time in which a student may be ineligible for campus housing in the residence halls. A student may be placed on suspension pending the outcome of a College or local municipality investigation of policy/guideline or local law violation.
Dismissal: Any student dismissed from housing shall retain their status as a student at Baker College, but is no longer eligible to live in or visit campus housing.

Expulsion: A student may no longer attend classes at any Baker College and is banned from all campuses.

In compliance with Residence Hall Guidelines, any student dismissed from the residence hall for disciplinary reasons must vacate the facility by the time specified on the official notification, typically 24 hours. In addition, all visitation privileges to any Baker College residence hall facilities are revoked.

The Judiciary Committee will be formed and chaired by the Vice President for Academics/CAO or designee. The Chair will be a nonvoting member of the Committee. 1.  **FIRE PROCEDURES**

**FIRE DRILLS AND EXITS:**
Periodic fire drills are conducted in order to familiarize residents with the evacuation procedures and emergency routes. Should you discover a fire, no matter how small, sound the fire alarm and exit the building. Notify your RA and/or RHC, if possible. The building should be empty before any attempt is made to contain a fire. Your RA will review fire safety and evacuation procedures for each building.

**FIRE EVACUATION PROCEDURES:**

1. Close windows.
2. Before leaving your residence hall unit, feel your door for heat. If it is hot, do not open your door. If your door is cool, exit the building using the evacuation route posted in your unit, or the closest exit door to your location.
3. Once outside, proceed to a safe area (at least 100 ft. from the closest exterior exit) to avoid injury from explosions and heat.
4. Do not return to the building until instructed by a staff person or by the fire department.

**ALL OTHER EVACUATION PROCEDURES:**
For all other evacuations, Campus Safety and Facilities will coordinate actions for evacuations and re-entry into buildings.

2.  **GENERAL CAMPUS SAFETY**
The College attempts to provide a comfortable, safe living environment for residence hall students. The Campus Safety Office is staffed 24 hours a day, seven days a week. In addition, residence hall entrance doors are locked electronically twenty-four hours a day. Some entrances are controlled via Closed Circuit Television Cameras, intercoms and electric switches. Students must observe all security and safety rules and policies. They have been developed with your safety and well-being in mind.
Entry into halls after hours: All entrances to the residence halls are locked 24 hours/day. Residents will be able to enter their building by swiping their ID in the card reader. For the Living Center, students will be issued a front door key.

Use of another students ID/Access information/parking permit will result in disciplinary action up to and including dismissal from the halls and/or expulsion from the College.

**Missing Person Policy & Procedures - Effective September 2009**

Every year residents will be given the opportunity to confidentially register “emergency” contact information for an individual who should be immediately notified after an investigation by Campus Safety confirms the student to be missing for more than 24 hours. All residence hall students under the age of 18, who are not emancipated, will be informed that the College MUST notify a custodial parent or guardian no later than 24 hours after the student is determined to be missing, and has not returned to campus. If no confidential “emergency” contact information is filed by the missing student, the student is older than 18 years of age, or the student is emancipated, the College will inform appropriate law enforcement agencies of the missing person.

A safe campus and safe residence halls are everyone's responsibility, do your part to protect yourself and others.

3. **INSURANCE AND LIABILITY**
All personal property brought into residence halls is at the risk of the owner. Residents are encouraged to insure their own property against personal liability, theft, loss, or damage and to label their valuables.

4. **RESIDENCE HALL SAFETY**
Be security conscious! Keep your door locked at all times. Poor door locking habits may cost you loss of personal property. Do not keep large sums of money or other valuables in your room or in easy sight and access to anyone. **The College will not assume responsibility for personal items that are abandoned, damaged, lost, or stolen.** The Residence Hall Coordinator and/or the Resident Assistant should be notified immediately if you have cause to believe your residence hall unit has been improperly entered at any time. Any theft should be reported by the student to Campus Safety immediately.
Please report all safety concerns to your RA, RHC or Campus Safety. If you know of a safety problem and do not report it, discipline may occur.

5. SEVERE WEATHER/TORNADO PROCEDURES
Each residence hall has a designated severe weather shelter location. Take the time to find out where your shelter is located. When notified by an RA or another College official that shelter is needed, go to that location and remain there until an all-clear signal is given.

If you are unable to reach your assigned shelter, take the following precautions:

1. Go to a place of safety, preferably the basement or first floor of a building.
2. Go to a hallway away from windows and doors.
3. Seek shelter under a heavy table, etc. to avoid injury from flying objects.
4. Stay calm and wait for help to find you.
