SECTION 1: RESIDENCE LIFE PERSONNEL

1.01 RESIDENCE LIFE DEPARTMENT
Many people are involved in the development of the residence hall community. All Residence Life personnel have been trained to provide support services for residents. They are responsible for the operation of their building, enforcement of Baker College (herein referred to as College) guidelines and regulations, and the development of the residence life community.

Owosso Specific: Residence Hall Association (RHA) is a student organization specific to hall residents. Each year a new slate of officers are elected by members. RHA focuses on hall improvements and student activities.

1.02 DIRECTOR OF RESIDENCE LIFE (RLD)
The Director of Residence Life is a professional staff member who is responsible for the supervision of the Residence Hall Coordinators (RHCs) and the overall operation of the Residence Life Department. If you have any questions or concerns that cannot be handled by the RHC, please contact the Director of Residence Life.

1.03 RESIDENCE HALL COORDINATOR (RHC)
Residence Hall Coordinators are professional staff members who reside in the residence hall facilities. They are responsible for the supervision of residence hall staff and the overall operation of the residence halls. Should you have any questions or concerns regarding Residence Life policy or procedure, contact the Residence Hall Coordinator.

1.04 RESIDENT ASSISTANT (RA)
Resident Assistants are student staff members who reside in the residence hall facilities. Each resident is assigned a Resident Assistant (RA) who provides leadership and has had training in dealing with human relations. At least one RA is always on duty and available in the residence halls. RAs are responsible for providing support and assistance to all residents in creating an atmosphere conducive to growth and learning.

Some of their areas of responsibility are to:

1. Get to know each resident on his/her floor/area.
2. Communicate with each resident regularly and frequently.
3. Assist residents with peer guidance and conflict resolution.
4. Guide residents in need of special help and counseling.
5. Be visible in the halls and available to all residents.
6. Develop concepts of “community responsibility”.
7. Be involved in group-building endeavors.

If you have any questions about ANYTHING at Baker College, your RA is the person to contact. If he/she does not know the answer to your question, the RA will know how to find someone who does.
2.01 LICENSING AGREEMENT
The Residence Hall Licensing Agreement, which must be signed each year, obligates a student to live in a College residence hall for the entire academic year (Fall, Winter, and Spring quarters). Summer quarter housing may be available as a supplement to the licensing agreement. This is in accordance with regulations of the College as specified in the Residence Hall Guidelines and the Baker College Residence Hall Licensing Agreement.

2.02 CLOSING AND CHECK-OUT PROCEDURES
At the beginning of each vacation period (Thanksgiving, Fall, Winter, Spring, Summer quarter endings) all residents are required to officially check-out with their Resident Assistant. At that time, the RA will inspect each room to ensure that all garbage has been disposed of and that the room is clean. The College retains the right to adjust this policy for individual circumstances solely at the College’s discretion. Failure to follow proper check-out procedures is in violation of College regulations and will result in additional charges or disciplinary action.

The residence halls officially close on the last day of each quarter. Students not registered for future quarter classes, or students who fail to properly check-out at the close of each quarter will be considered in violation of our guidelines and a non-resident. Property left behind will be removed and discarded by the College, at the owner’s expense. **Baker College does not assume responsibility for property that is abandoned, damaged, lost or stolen.**

**Owosso Specific Guideline:** The residence halls will officially close on the last day of each quarter at 2:00 p.m. and at 1:00 p.m. at the end of Spring Quarter. Residence hall check-out procedures will be posted. **Baker College of Owosso will not be responsible for those items left in a vacated room after forty-eight (48) hours and may discard these items.**

A proper check-out includes, but is not limited to, signing up 24-hours in advance with an RA, completing all cleaning duties, and having no damages in the room. The fee for an improper check-out starts at $25.00.

**Break Accommodations**
Residents seeking residence hall accommodations during break periods are required to meet with their Residence Hall Coordinator and complete a special application process at least two weeks prior to the break, but no later than week
8, and must pay the Business Office in advance. The College inspects each room during each break. NOTE: No accommodations will be approved/allowed during the entire week of Christmas. Additionally, students with behavioral contracts or discipline in file are not eligible.

**2.03 CONSOLIDATION**

Baker College reserves the right to consolidate students into under-assigned units as a matter of fairness and for energy savings. Once classes begin each quarter, students who don’t live in a designated single unit, but find themselves without a roommate during the first four weeks of the quarter (at no fault of their own), may be subject to room consolidation. Students in these circumstances will be given these three options:

1. Have another student who is living alone move in with him/her.
2. Move into a room that is occupied by another student(s).
3. The student will be responsible for working with his/her RHC to find a new room/roommate (the student must keep the unoccupied portion of the room in such condition that it will be possible for a new roommate to move into the room at any time).

Every effort will be made to notify the student immediately if the need for consolidation arises. If conflicts about moving occur, the student with the least number of earned credits will be required to move. Any student’s attempt to block, discourage or add undue pressure to a roommate specifically assigned a given space may result in disciplinary action, including cancellation of his/her Residence Hall Licensing Agreement. Students who lose their roommate(s) after the fourth week of the current quarter will not be subject to consolidation.

**2.04 DEPOSIT**

A room reservation/damage deposit of $50 is required of all students and is due at the time of application for admission to Residence Life.

*Owosso Specific: If a deposit is not on the returning student’s account at the time of signing a new Residence Hall Licensing Agreement, one will be added.*

**2.05 ELIGIBILITY TO LIVE IN RESIDENCE HALLS**

To live in a Baker College residence hall:

i. Residents must be full-time (12 or more credits) enrolled students at Baker College to move into the residence hall. For summer quarter, students must be enrolled for at least 4 credit hours. Residents are not allowed to take more than 50% of their classes on-line per quarter without prior Housing Administration approval.
ii. Students wishing to reduce their credit load to less than 12 credit hours must submit a “Request to Withdraw” form to the Residence Life Office, or your RHC, for a final decision regarding that student’s eligibility to remain in the halls.

   a. Students may be allowed to be under 12 credit hours once per academic year, with RHC approval. If a student is allowed to be under 12 credits hours for one quarter due to special circumstances (e.g., graduating, program change, program restrictions, Satisfactory Academic Progress (SAP), etc.) the student may not drop additional credits for that quarter. If a student drops additional credits within the same quarter, the housing contract will be considered void for the remainder of the academic year.

iii. Students who do not register for, or who withdraw from all classes, will be ineligible for College residency. A non-student already in a residence hall will be required to vacate the room immediately and is responsible for all damage charges incurred to that point.

iv. An applicant/resident having a conviction resulting from a felony charge and/or Criminal Sexual Conduct (CSC), or who has a pending charge, will not be accepted or allowed to remain in the Baker College residence halls.

v. Students whose homes are located within the county of the campus they are attending are not eligible for accommodations without special permission from the College and only if space permits.

vi. Students who have been academically suspended must formally re-apply to Residence Life after at least one full quarter following their suspension. Students reinstated to the College are not automatically readmitted to residence halls.

vii. Class attendance will be monitored each week and reviewed with residents as needed. Residents are encouraged to maintain a 100% attendance rate, with a minimum of 85% required. Residents placed on academic agreements must meet required attendance rates or risk dismissal from the halls.

viii. Any student dismissed from the residence halls for disciplinary reasons must vacate the premises within the time period stated in the terms of the dismissal and will not be allowed visitation privileges. Abandoned property will be removed and/or discarded by the College.

ix. Applicants younger than 17 or 25 years of age or older will not
be allowed residency in traditional housing units, except by permission of College Administration.

x. Single family housing units are only available on the Flint campus at this time.

xi. Baker College has the sole right to determine who may live in College owned facilities.

xii. All applicants are required to undergo and pass a criminal background check.

*Owosso Specific Guideline:* A background check must be completed for a student’s first quarter in the halls, and anytime a student leaves the halls for at least one quarter and requests re-admittance. Residents placed on Academic Probation or who have lower than a 2.0 G.P.A. must participate in the Academic Success Program (ASP), which may require scheduled meetings with Academic and/or Residence Life staff, tutoring, class attendance, etc. Residents who choose not to participate or who do not meet ASP requirements will be dismissed from the halls, lose all residence hall rights and will be required to sit out at least for the next quarter (F, W, S). Re-admittance must be approved. All residents must meet eligibility requirements to live in the Owosso residence halls, including quarterly paperwork deadline dates.

### 2.06 RESIDENCE HALL COSTS

Residence hall fees include utilities and are payable in advance to the Business Office. Residence hall rates are subject to change at the beginning of any quarter.

*Owosso Specific Guideline:* Residence hall rates are $975/quarter/person for suites, and $1000/quarter/person for apartments. Quarterly fees do not include meal plans. Woodard Loft rates are $925/quarter/person.

### 2.07 REFUND

If a student leaves in good standing at the end of the school year, or graduates, the $50 deposit will be refunded within 45 days of the student’s departure by the Baker College Business Office. The deposit and/or residence hall fee will be forfeited if the student withdraws from the residence hall and/or College, is dismissed for disciplinary/academic reasons, or does not provide written notice of cancellation by:

- **Fall:** September 1
- **Winter:** December 1
- **Spring:** March 1
- **Summer:** June 1

Upon leaving, charges for any damages will be withheld from the deposit. If the student has an outstanding balance with the College the deposit will be applied directly to that amount. During a student’s stay in the residence hall, damages will be billed to the student’s account and must be paid within 10 days.

If for any reason a student leaves during a quarter, there will be no refund of deposit or room fees for that quarter.
2.08 ROOM CHANGES
Part of the value of residing on campus is learning to live with and among people from a variety of backgrounds who may possess different values. A conscious effort should be made by all students to resolve any differences which may arise. If this cannot be done, contact a Resident Assistant. He/she will work to assist in the resolution. If the result necessitates a room change, a “Room Change Request” form must be filled out and approved by the Residence Hall Coordinator. Under no circumstances may a student change rooms without prior consent by the Residence Hall Coordinator. Unapproved room changes (within unit, suite, building, or campus) are prohibited and will result in disciplinary action.

Requests for changes of room assignments made on the basis of race, color, or religion violate the College’s anti-discrimination policy and will not be considered. Room Change Request forms will be accepted after the start of each quarter; however, authorized room changes will not occur before week 3 or after week 7. Room Change Request forms submitted after week 7 will be processed during the following break period. Final determination for all room changes will be at the discretion of the RHC.

Room change requests will not be considered for students placed on behavioral contracts or who have discipline in their files.

2.09 CHOICES
The Baker College of Owosso CHOICES program has been designed for all new residence hall students as they transition from high school to College. The Department of Residence Life will serve as hosts during the program which begins the Wednesday before classes start each Fall Quarter. Students will have the opportunity to connect with one another and to acclimate to the Owosso campus while also being introduced to practical skills through their BC101 class. CHOICES and BC101 are required parts of each student’s orientation to the residence halls on the Baker College of Owosso campus.
SECTION 3: RESIDENCE HALL LIVING

3.06 ENTERING RESIDENCE HALL UNITS

*Attention: Unannounced room inspections by campus Residence Hall and Safety personnel, aided by drug detecting devices and canines will be conducted at various times throughout the year. These inspections are intended to deter drug and alcohol use, as well as to identify health and safety hazards.*
1. Residence Life staff may enter and/or permit other College personnel to enter students’ rooms at any time.
2. Maintenance personnel may enter for inspection of physical equipment, repair, refurnishing, or replacement.
3. College personnel may enter when there is probable cause that a College guideline has been violated.
4. College personnel may enter when there is an indication of danger or hazard.

The College reserves the right to remove from the room, without the resident’s permission, any object or material which constitutes a health or safety hazard, is the property of the College, or is a violation of College guidelines. Upon inspection of a student’s room, if the College finds any violations of federal, state, local, or College guidelines and regulations, the occupants of the room will be referred for legal or disciplinary action and damage charges will be assessed.

Rooms will be inspected randomly and at the end of each quarter by the Residence Life or Maintenance staff. All maintenance and housekeeping deficiencies will be noted and charges will be assessed.

The College will not assume responsibility for personal items that are abandoned, damaged, lost, or stolen.

3.07 FOOD DELIVERY

Any residence hall unit needing repair should be reported to an RHC or RA. This information will be forwarded to Maintenance staff. Each resident is responsible for the general orderliness and cleanliness of his/her room.

3.13 RESIDENCE HALL UNITS

Your residence hall unit will be the center of your activities in the residence hall. Your residence hall unit is not just a place to keep your belongings and sleep. It can also be a study room and a place where you will live with other people and practice cooperative living. You and your roommates will negotiate with your RA times for studying, sleeping, visitation and relaxing in order to live together successfully.
In decorating your room, common sense is essential for a safe and attractive living environment. Decorations should not block entrances or cause a fire hazard. Any decorations that are offensive to students or staff will be addressed accordingly, which may include removal. Any damage to your residence hall room during the course of the year will be billed accordingly. The Residence Hall Coordinator must approve all changes to your room in writing. Be sure to fill out and sign a “Room Inventory/Checklist” form within three days after moving into your residence hall unit. You will complete the checkout portion of this form upon your departure from the residence halls.

3.14 RESIDENCE HALL UNIT ACCESS CARDS/ KEYS
Residents are issued keys and/or access cards for their individual living space and unit. **Loaning or duplicating of access cards or keys is expressly prohibited and will result in disciplinary action**, up to and including dismissal, as well as a $50 fee to replace locks. Keep these items in your possession at all times. Students who fail to carry their access cards and/or keys are not assured immediate access to their living space or mailbox. A fee may be charged for lost access cards and keys and to unlock doors. Lost access cards or keys should be reported immediately to the RHC; if locks must be replaced as a result of lost keys, a $50 charge may be assessed.

3.15 ROOM INSPECTIONS
Each time a student moves out of a room, a room inspection will be conducted. Regular and random room inspections will take place during the quarter to check for compliance with routine housekeeping duties, safety, security, and College Residence Hall Guidelines. A room may be searched at any time without the student/resident being present. During the break periods and between quarters, College Maintenance will inspect each room. Damages assessed at this time will be charged to student accounts. Miscellaneous items will be assessed accordingly. All charges are subject to change. Any charges for damages will be assessed to all residents who occupy the room(s) and/or building if the person responsible cannot be determined.

3.16 RESIDENCE HALL UNIT PAINTING

Break period hours will vary. Residents are allowed to have ONE GUEST and MUST sign them in at Campus Safety. All guests must have a valid picture ID. NOTE: Guest hours of use will vary from residents’ hours of use. The gymnasium is used for a wide variety of intramural sports. Only currently enrolled students and staff are eligible to participate in intramurals. Residents and their guests are asked to dress in appropriate attire when using the gym, including appropriate footwear. Those wearing inappropriate attire may be asked to leave.

4.03 COMPUTER USAGE
All residents are expected to abide by Baker College’s Acceptable Usage Policies for all computer usage. This includes computers in labs and personal computers registered on the Baker network. Routers are not to be used in conjunction with the College’s network at any time. Violations of these policies will result in disciplinary action. The Acceptable Usage Policy can be found on our website under Student Services/Information Technology.
The use of computers, cell phones, or any other media devices for the production and/or distribution of inappropriate materials, including but not limited to obscene/pornographic materials, is prohibited.

The computer labs are provided first and foremost for academic use. Students using these machines for academic purposes have priority over those utilizing these resources for personal/recreational use.

All labs must be used in a responsible and efficient manner, inappropriate users will be asked to leave and access may be limited/denied.

No software is allowed to be downloaded onto any College computer other than by authorized College personnel.

**Peer-to-Peer (P2P) File Sharing at Baker College:** Baker College is committed to reducing the illegal uploading and downloading of copyrighted works through peer-to-peer (P2P) file sharing on campus or residence hall networks. Students and employees need to be aware that such illegal distribution of copyrighted materials may subject them to criminal and civil penalties.

Baker College prohibits the use of all P2P applications such as BitTorrent and Limewire. In compliance with this policy these technologies are blocked and anyone attempting to circumvent the block is in violation of this policy. Users in violation of College policy are subject to disciplinary action in accordance with their position at the College.

If you are using Baker College’s computer network, including any classrooms or laboratories, offices, residence halls, or College-provided wireless connections, the College is your Internet Service Provider (ISP). The Digital Millennium Copyright Act of 2001 requires Baker College to block access to copyrighted materials in a timely fashion when notified that users on its network are sharing copyrighted files.

Complaints typically arrive directly from software, music, and motion picture associations, law firms, and copyright holders in the form of inquiries requesting the College to respond with the name of the user that was on the network at the time the computer was performing certain actions. Sometimes these complaints come in the form of “Early Settlement Letters”.

22
Baker College network officials forward these inquiries or letters to the supervisor of the identified user or, in the case of occupants of residence halls, to the Residence Hall Directors. Baker College will not release the name of the student or employee to the alleged copyright holder unless served with a proper subpoena, court order, or other legal process.

By forwarding these inquiries or letters to the supervisor or the Hall Director Baker College has made no determination as to whether the student or employee has engaged in copyright infringement, or that the user should enter into an early settlement with the copyright holder. Baker College believes that users should seek legal counsel before responding to these letters.

When the user has removed the offending P2P software the user’s network access is automatically restored.

4.04 HALLWAYS

All public area hallways should be used in an appropriate manner that does not interfere with the rights of residents. The noise level in the hallways should be kept at a normal conversational level at all times. Hallways are not areas for public gatherings or recreation.

Each residence hall offers laundry facilities for the convenience of the residents. When using the washers and dryers, stay nearby to take care of your clothes promptly. It is your responsibility to clean the washer and dryer, as well as the lint filter, after you have used them. The College is not responsible for abandoned, damaged, lost or stolen items from the laundry facilities.

Owosso Specific Guideline: On-campus laundry machines require the use of a laundry card. Each resident will be issued a laundry card, replacement cards will cost $5. Additional money, in denominations of $5, $10, and $20 only, can be added to the card via VTM machines. The College is not responsible for lost/stolen cards. The Woodard Station lofts provide coin-operated laundry for its residents.

4.06 LOUNGE USE

Each residence hall has a lounge area which students are encouraged to use. Most lounge areas are equipped with cable television and comfortable furniture.
All residents are responsible for the care and upkeep of lounge and public areas. No furnishings or equipment may be moved or removed without staff approval. Violators will be charged and referred for disciplinary action.

Students are encouraged to use discretion when bringing food and beverages into the lounge areas. It is the responsibility of the student to clean the lounge after use. If furniture has been re-arranged, it is the responsibility of the student to move all furnishings back to their original location. Students found in violation will be charged accordingly.

4.07 PARKING AND VEHICLES ON CAMPUS

All cars in the parking lot must be in working order at all times. Vehicle maintenance may not occur in any campus parking lot. The three designated Residence Hall parking lots are for current residents only! No one is allowed to sleep in a vehicle on campus property, including the Woodard Station lots, at any time. The sharing of parking permits will result in disciplinary action. All vehicles on Baker College property (owned or leased) must be properly licensed.

No campers or trailers of any kind may be parked or left on campus, or in the Woodard Station parking lot, overnight, whether attached to a vehicle or not.

Parking in staff designated parking spaces or violating campus designated 15-minute drop-off parking spaces, at any time, will result in a fine.

All Woodard Station residents, staff and visitors are provided a separate parking lot adjacent to the building on the south side. All are expected to abide by the parking requirements at that location, which includes no parking on Elm Street, Cass Street or on the north side of the building. Any disregard to the parking requirements at the Woodard Station may result in towing of vehicles at the owner’s expense, discipline, fines, housing reassignment, and/or termination of housing licensing agreement.

4.08 PUBLIC AREAS

Each residence hall has designated public areas. They may include: reception areas, lounges, study rooms, hallways, stairwells, restrooms, laundry areas, and recreational areas. These areas are for the use of the residents and their designated guests only. The furnishings and public area equipment are all property of the College and should not be removed or abused. Violators of this policy will be charged for damages and referred for disciplinary action. All residents will be held accountable for the condition and upkeep of all public areas and furnishings.
Any undetermined damage or vandalism will be divided and billed equally among all residents. After final check-out, all damages will be billed against the residence hall room reservation/damage deposit. All residents are expected to promote building safety, security, and to prevent guests from damaging public areas.

Residents and guests are expected to be in appropriate dress while in public areas.

6.01 FIRE PROCEDURES

FIRE DRILLS AND EXITS:

Periodic fire drills are conducted in order to familiarize residents with the evacuation procedures and emergency routes. Should you discover a fire, no matter how small, sound the fire alarm and exit the building. Notify your RA and/or RHC, if possible. The building should be empty before any attempt is made to contain a fire. Your RA will review fire safety and evacuation procedures for each building. The Residence Life Department is required to run 8 fire drills and 2 tornado drills a year.

FIRE EVACUATION PROCEDURES:

1. Close windows.
2. Before leaving your residence hall unit, feel your door for heat. If it is hot, do not open your door. If your door is cool, exit the building using the evacuation route posted in your unit, or the closest exit door to your location.
3. Once outside, proceed to a safe area (at least 100 ft. from the closest exterior exit) to avoid injury from explosions and heat.
4. Do not return to the building until instructed by a staff person or by the fire department.

ALL OTHER EVACUATION PROCEDURES:

For all other evacuations, Campus Safety and Facilities will coordinate actions for evacuations and re-entry into buildings.

6.02 GENERAL CAMPUS SAFETY

The College attempts to provide a comfortable, safe living environment for residence hall students. The Campus Safety Office is staffed 24 hours a day, seven days a week. In addition, residence hall entrance doors are locked electronically twenty-four hours a day. Some entrances are controlled via Closed Circuit Television Cameras, intercoms and electric switches. Students must observe all security and safety rules and policies, they have been developed with your safety and well-being in mind.

Owosso Specific Guideline: Residence hall entrance doors are locked electronically at all times. Entrance is controlled via closed circuit television cameras and electronic card access readers. Use of another student’s I.D., access information, or parking permit will result in disciplinary action up to and including dismissal from the halls. All vehicles on campus must be registered with Campus Safety, registered with the State, and possess a valid plate.
Missing Person Policy & Procedures - Effective September 2009

Every year residents will be given the opportunity to confidentially register “emergency” contact information for an individual who should be immediately notified after an investigation by Campus Safety confirms the student to be missing for 24 hours. All residence hall students under the age of 18, who are not emancipated, will be informed that the College MUST notify a custodial parent or guardian no later than 24 hours after the student is determined to be missing, and has not returned to campus. If no confidential “emergency” contact information is filed by the missing student, the student is older than 18 years of age, or the student is emancipated, the College will inform appropriate law enforcement agencies of the missing person.

A safe campus and safe residence halls are everyone's responsibility, do your part to protect yourself and others.

6.03 INSURANCE AND LIABILITY

All personal property brought into the residence halls is at the risk of the owner. Residents are encouraged to insure their own property against personal liability, theft, loss, or damage and to label their valuables.

6.04 RESIDENCE HALL SAFETY

Be security conscious! Keep your door locked at all times. Poor door locking habits may cost you loss of personal property. Do not keep large sums of money or other valuables in your room or in easy sight and access to anyone. The College will not assume responsibility for personal items that are abandoned, damaged, lost, or stolen. The Residence Hall Coordinator and/or the Resident Assistant should be notified immediately if you have cause to believe your residence hall unit has been improperly entered at any time. Any theft should be reported by the student to Campus Safety immediately.
6.05 SEVERE WEATHER/TORNADO PROCEDURES

Each residence hall has a designated severe weather shelter location. Take the time to find out where your shelter is located. When notified by an RA or another College official that shelter is needed, go to that location and remain there until an all-clear signal is given.

If you are unable to reach your assigned shelter, take the following precautions:

1. Go to a place of safety, preferably the basement or first floor of a building.
2. Go to a hallway away from windows and doors.
3. Seek shelter under a heavy table, etc. to avoid injury from flying objects.
4. Stay calm and wait for help to find you.

EMERGENCY ALERT NOTIFICATIONS:

The Baker Alert System notifies the campus community of emergencies and threats to physical safety in emergency situations: tornado, violence, hazardous material incident, College closures, etc. Notifications are by cell phone, landline phone, e-mail and text-message.

The system automatically includes all current students, faculty, and staff on a specific campus, based on their presence in the Baker Directory. If you want to change your emergency contact information, log in to the SOLAR System and edit your contact information to add or check your emergency contact number(s). You are the only person who can update this data. Please review it carefully.
