Know Your Staff - Su Palmer

Su Palmer is an instructor in the Early Childhood Education Program at Baker College of Muskegon. This quarter she is teaching Guidance and Discipline (ECE 231) and Infant Toddler Development and Curriculum (ECE 201 CL).

Ms. Palmer’s educational experiences began as an early childhood educator and family resource specialist for Ypsilanti Public Schools. She then moved into administration as an elementary school principal for grades 1 through 5. Thereafter, she had an opportunity to work as school superintendent at JKL Bahweting Public School Academy in Sault Ste. Marie, Michigan. For her, living and working on the Upper Peninsula was a wonderful adventure and experience.

Ms. Palmer earned a bachelor’s degree in elementary and special education from Michigan State University and a masters degree in special education and early childhood education from Eastern Michigan University (EMU). She taught graduate classes at EMU for the early childhood department.

Looking for more adventures, Ms. Palmer decided to retire from education. She continued to be passionate about education, so in 2012 she started teaching at Baker College. Working at Baker College has helped her continue to help others to become educators for young children and their families.

Ms. Palmer also volunteers for READ Muskegon to support people in developing literacy skills. When she is not teaching at Baker College, reading, or volunteering, she enjoys making quilts.
