1. RESIDENCE LIFE PERSONNEL
Many people are involved in the development of the residence hall community. All Residence Life personnel have been trained to provide support services for residents. They are responsible for the operation of their building, enforcement of Baker College (herein referred to as College) guidelines and regulations, and the development of the residence life community.

1. VP OF STUDENT SERVICES
The Vice President of Student Services is a professional staff member who is responsible for the supervision of the Residence Hall Coordinator (RHC) and the overall operation of Residence Life. If you have any questions or concerns that cannot be handled by the RHC, please contact the VP of Student Services.

1.02 RESIDENCE HALL COORDINATOR (RHC)
Residence Hall Coordinators are professional staff members who reside in the residence hall facilities. They are responsible for the supervision of residence hall staff and overall operation of the residence halls. If you have questions or concerns regarding Residence Life policy or procedure, contact the RHC.

1.03 RESIDENT ASSISTANT (RA)
Resident Assistants (RAs) are student staff members who reside in the residence hall facilities. Each resident is assigned a Resident Assistant (RA) who provides leadership and has had training in dealing with human relations. RAs are responsible for providing support and assistance to all residents in creating an atmosphere conducive to growth and learning.

Some of their areas of responsibility are to:
1. Get to know each resident in his/her community.
2. Communicate with each resident regularly and frequently.
3. Assist residents with peer guidance and conflict resolution.
4. Guide residents in need of special help and counseling.
5. Be visible in the his/her community and available to all residents.
6. Develop concepts of “community responsibility”.

If you have any questions about ANYTHING at Baker College, your RA is the person to contact. If he/she does not know the answer to your question, the RA will know how to find someone who does.
SECTION 2: REQUIREMENTS

2.01 LICENSING AGREEMENT
The Residence Hall Licensing Agreement, which must be signed each year, obligates a student to live in a College residence hall for the entire academic year (Fall, Winter, and Spring quarters). All returning students must sign a new Residence Hall Agreement each school year. Residence Hall fees are not refundable if the departure is during a quarter whether termination is voluntary or a function of dismissal for academic or disciplinary reasons. Illness or other extenuating circumstances may be allowed as an exception by the College on a case-by-case basis. If summer quarter housing as available, it may be added as a supplement to the licensing agreement. This is in accordance with regulations of the College as specified in the Residence Hall Guidelines and the Baker College Residence Hall Licensing Agreement.

Sub-leasing of rooms or living spaces is prohibited.

2.02 CLOSING AND CHECK-OUT PROCEDURES
At the beginning of each vacation period (Thanksgiving break, Fall, Winter, Spring, and Summer quarter endings) all residents are required to officially check-out with their Resident Assistant. At that time, the RA will inspect each room to ensure that all garbage has been disposed of and that the room is clean. The College retains the right to adjust this policy for individual circumstances solely at the College’s discretion. Failure to follow proper check-out procedures is in violation of College regulations and will result in additional charges or disciplinary action.

The residence halls officially close on the last Saturday of each quarter. Students are expected to leave the residence hall within 24 hours after their last exam at the end of the quarter or at the designated hall closing time, whichever comes first. Students not registered for future quarter classes, or students who fail to properly check-out at the close of each quarter will be considered in violation of our guidelines and a non-resident. Property left behind will be removed and discarded by the College, at the owner’s expense. **Baker College does not assume responsibility for property that is abandoned, damaged, lost or stolen.**

It is the responsibility of each student to find temporary housing during regularly scheduled vacation periods (see calendar). Residence hall check-out procedures will be posted. Baker College of Port Huron will not be responsible for those items left in a vacated room after forty-eight (48) hours and may discard these items.
A proper check-out includes, but is not limited to, checking out with the RA, completing all cleaning duties, returning all keys, and having no damages in the room. The fee for an improper check-out starts at $25.00.

**Break Accommodations**
There are absolutely no break accommodations for residential students. Residential students are expected to find temporary housing during all College breaks and to arrange any necessary transportation in a timely fashion.

**Order Day**
In an effort to ease the emptying of the residence halls at the end of the year, Residence Life has designated the Saturday of week #9 in the spring as Order Day. Residence Life asks students to bring units to their original state as found upon arrival to the halls.

- All Baker College provided furniture (beds, dressers, desks, chairs, tables) should be accounted for, and returned to its original position within the unit.
- Items adhered to the walls should be taken down.
- Remove large personal belongings to be compliant during week #10 Quiet Hours and to lessen the workload on move-out day.
- Unopened, non-perishable food items (canned and boxed goods) should be gathered in preparation of the collection that will occur week #10. Pantry donations may also be dropped off to the Residence Hall Coordinator at your convenience.

**2.03 CONSOLIDATION**
Baker College reserves the right to consolidate students into under-assigned units as a matter of fairness and for energy savings. Once classes begin each quarter, students who don’t live in a designated single unit, but find themselves without a roommate during the first four weeks of the quarter (at no fault of their own), may be subject to room consolidation. Students in these circumstances will be given these three options:

1. Have another student who is living alone move in with him/her.
2. Move into a room that is occupied by another student(s).
3. The student will be responsible for working with his/her RC to find a new room/roommate (the student must keep the unoccupied portion of the room in such condition that it will be possible for a new roommate to move into the room at any time).

Every effort will be made to notify the student immediately if the need for consolidation arises. If conflicts about moving occur, the student with the least number of earned credits will be required to move. Any student’s attempt to block, discourage or add undue pressure to a roommate specifically assigned a
given space may result in disciplinary action, including cancellation of his/her Residence Hall Licensing Agreement. Students who lose their roommate(s) after the fourth week of the current quarter will not be subject to consolidation.

2.04 DEPOSIT
A room reservation/damage deposit of $50 is required of all students and is due at the time of application for admission to Residence Life. If a deposit is not on the student’s account at the time of signing a new Residence Hall Licensing Agreement, one will be added.

2.05 ELIGIBILITY TO LIVE IN RESIDENCE HALLS
To live in a Baker College residence hall:

i. Residents must be full-time (12 or more credits) enrolled students at Baker College to move into the residence hall. Residents are not allowed to take more than 50% of their classes on-line per quarter without prior RHC approval.

ii. Students wishing to reduce their credit load to less than 12 credit hours must submit a “Permission to Enroll Part-Time” form to your RHC, for a final decision regarding that student’s eligibility to remain in the halls.

a. Students may be allowed to be under 12 credit hours once per academic year, with RHC approval. Students who wish to live in residential facilities with less than 12 credits for more than one semester must submit an additional “Permission to Enroll Part-Time” and will only be approved on a case-by-case basis.

b. If a student is allowed to be under 12 credits hours for one quarter due to special circumstances (e.g. graduating, program change, program restrictions, Satisfactory Academic Progress (SAP), etc.) the student may not drop additional credits for that quarter. If a student drops additional credits within the same quarter, the housing contract will be considered void for the remainder of the academic year.

iii. Students who do not register for, or who withdraw from all classes will be ineligible for College residency. A non-student already in a residence hall will be required to vacate the room immediately and is responsible for all damage charges incurred to that point.

iv. An applicant having a conviction resulting from a felony charge and/or Criminal Sexual Conduct (CSC), or has a pending charge, will not be accepted or allowed to remain in Baker College residence halls.

v. Students who have been academically suspended must formally re-apply to Residence Life after at least one full quarter following their suspension. Students reinstated to the College are not automatically readmitted to residence halls.
vi. Class attendance will be monitored each week and reviewed with residents as needed. Residents are encouraged to maintain a 100% attendance rate, with a minimum of 85% required. Residents placed on academic agreements must meet required attendance rates or risk dismissal from the halls.

vii. Any student dismissed from the residence halls for disciplinary reasons must vacate the premises within the time period stated in the terms of the dismissal and will not be allowed visitation privileges. Abandoned property will be removed and/or discarded by the College.

viii. Applicants younger than 17 or 25 years of age or older will not be allowed residency in traditional housing units, except by permission of College Administration.

i. Single family housing units are not available.

ii. Baker College has the sole right to determine who may live in College owned facilities.

iii. All applicants are required to undergo and pass a criminal background check.

iv. Students of the opposite gender will not be assigned to the same housing unit, regardless of marital status.

A background check must be completed for a student’s first quarter in the halls, and anytime a student leaves the halls for at least one quarter and requests re-admittance. Residents placed on Academic Probation or who have lower than a 2.0 cumulative G.P.A. are considered for residential eligibility on a case-by-case basis by the RHC.

2.06 RESIDENCE HALL COSTS
Residence hall fees are payable in advance to Financial Services. Residence hall rates are subject to change at the beginning of any quarter.

The residence hall rate for a four-person apartment is $1000/student/quarter. Two-person apartments are $1,200/student/quarter.

2.07 DEPOSIT REFUND
If a student leaves in good standing at the end of the school year, or graduates, the $50 deposit will be refunded within 45 days of the student’s departure by Baker College Financial Services. The deposit and/or residence hall fee will be forfeited if the student withdraws from the residence hall and/or College, is dismissed for disciplinary/academic reasons, or does not provide written notice of cancellation by:

Fall: September 1
Winter: December 1
Spring: March 1
Summer: June 1
Upon leaving, charges for any damages will be withheld from the deposit. If the student has an outstanding balance with the College the deposit will be applied directly to that amount. All payments must be completed with 30 days of the adjusted date set by Baker College Financial Services or be subject to a $50 finance charge, at which time all damage charges will be final and not eligible for appeal.

If a student leaves during a quarter for any reason including, but not limited to, expulsion, dismissal, voluntarily, there will be no refund of deposit or room fees for that quarter.

2.08 ROOM CHANGES
Part of the value of residing in housing is learning to live with and among people from a variety of backgrounds who may possess different values. A conscious effort should be made by all students to resolve any differences which may arise. If this cannot be done, contact the Residence Coordinator. He/she will work to assist in the resolution. If the result necessitates a room change, a “Room Change Request” form must be filled out and approved by the Residence Coordinator. Under no circumstances may a student change rooms without prior consent by the Residence Coordinator. Unapproved room changes are prohibited and will result in disciplinary action. Requests for changes of room assignments made on the basis of race, color, sexual orientation, or religion violate the College’s anti-discrimination policy and will not be considered.

Room change request forms will be accepted after the start of each quarter; however, authorized room changes will not occur before week 3 or after week 7. Room change request forms submitted after week 7 will be processed during the following break period. Final determination for all room changes will be at the discretion of the RC. Room change requests will not be considered for students placed on behavioral contracts or who have current year discipline in their files.

Cohabitation
Cohabitation at Baker College is defined as occupying space within the residence halls without assignment. Only residents assigned to a room/apartment are allowed to live there and keep belongings in that room. The presence of someone else’s clothing, toiletries, etc. can be interpreted as cohabitation and is subject to disciplinary action and additional housing fees. Also prohibited are any incidents which violate his/her roommate’s right of entry into their room or ability to study and/or sleep within the room or which disturbs, interrupts or interferes with other students peaceful enjoyment of their living and learning environment, because of a guest or non-resident’s presence.

2.09 ORIENTATION
The Baker College of Port Huron Orientation program has been designed for all
new residence hall students as they transition from high school to College. The Department of Residence Life will serve as hosts during the two-day program which begins the Saturday before classes start each Fall Quarter. Students will have the opportunity to connect with one another and to acclimate to the Port Huron campus while also being introduced to practical skills. Orientation is a required part of each student’s orientation to the residence halls on the Baker College of Port Huron Campus

### 3.01 BEDS
Personal beds, lofts, and waterbeds are considered a potential safety hazard for student rooms and are prohibited. Beds may not be un-bunked without help from facilities personal, or block room entrance or windows. Any device used to prop or elevate furniture is not permitted.

### 3.02 BICYCLES
Bicycles are permitted on campus and must be secured in designated areas at all times. Bike racks are provided on campus and bicycles should be locked to bike racks. Bicycles are prohibited inside the residence halls except those stored on the provided bike rack. Bicycles must be removed at the end of the academic year.

### 3.03 CANDLES AND COMBUSTIBLES
The use or possession of fireworks, other explosives, combustible materials and/or potentially harmful chemicals in the residence halls or the immediate vicinity thereof is prohibited. Appliances such as microwave, fridge, blender, coffee pot etc. are not to be located in the bedrooms.

If you are unsure whether or not an appliance is permitted in the residence halls please contact the RHC. Also, be aware that you and your roommates/suitmates
will be sharing outlets thus bringing a large number of appliances is highly discouraged.

3.05 ENERGY SAVINGS
During break periods and between quarters, all electrical appliances must be unplugged in all unoccupied rooms. This includes clocks, stereos, etc.

3.06 ENTERING RESIDENCE HALL UNITS

2. Facilities personnel may enter for inspection of physical equipment, repair, refinishing, or replacement.

4. College personnel may enter when there is an indication of danger or hazard.
5. During non-contracted periods, such as between quarters and/or holiday breaks, College staff will conduct inspections and maintenance activities.

The College reserves the right to remove from the room, without the resident’s permission, any object or material which constitutes a health or safety hazard, is the property of the College, or is a violation of College guidelines. Upon inspection of a student’s room, if the College finds any violations of federal, state, local, or College guidelines and regulations, the occupants of the room will be referred for legal or disciplinary action and damage charges will be assessed. Rooms will be inspected randomly and at the end of each quarter by the Residence Life or Facilities staff. All maintenance and housekeeping deficiencies will be noted and charges will be assessed.

The College will not assume responsibility for personal items that are abandoned, damaged, lost, or stolen.

3.07 FOOD DELIVERY
Delivery personal must call student upon arrival to building and student will meet outside the apartments. Delivery persons will not be allowed in building.

The furniture in the studies is for the use and enjoyment of all residents. DO NOT REMOVE FURNITURE FROM THE STUDIES. Any student found with public area furniture may be charged a fine to return the furniture. Students possessing College property such as chairs, cushions, tables, etc. will be referred for disciplinary action.

College owned furniture may not be removed from the apartment. If furniture is moved around within the apartment it must be returned to the same bedroom or main room when you move out. Furniture may be rearranged within the lobbies for study groups or group meetings but no damage can occur and the furniture must be replaced in its original arrangement. If for any reason your furniture gets broken or damaged during the course of the school year, you must report it to the RHC or RA. If you do not report the damage, charges will be applied to you or split among your suitemates.

Routers are not to be used in conjunction with the College’s network at any time. Violations of these policies will result in disciplinary action. The Acceptable Usage Policy can be found on our website at:

The use of computers, cell phones, or any other media devices for the production and/or distribution of inappropriate materials, including but not limited to obscene/pornographic materials, is prohibited.

Peer-to-Peer (P2P) File Sharing at Baker College: Baker College is committed to reducing the illegal uploading and downloading of copyrighted works through peer-to-peer (P2P) file sharing on campus or residence hall networks. Students and employees need to be aware that such illegal distribution of copyrighted materials may subject them to criminal and civil penalties. Baker College prohibits the use of all P2P applications such as BitTorrent and Limewire. In compliance with this policy these technologies are blocked and anyone attempting to circumvent the block is in violation of this policy. Users in violation of College policy are subject to disciplinary action in accordance with their position at the College.

If you are using Baker College’s computer network, including any classrooms or laboratories, offices, residence halls, or College-provided wireless connections, the College is your Internet Service Provider (ISP). The Digital Millennium Copyright Act of 2001 requires Baker College to block access to copyrighted materials in a timely fashion when notified that users on its network are sharing copyrighted files.

Complaints typically arrive directly from software, music, and motion picture associations, law firms, and copyright holders in the form of inquiries requesting the College to respond with the name of the user that was on the network at the time the computer was performing certain actions. Sometimes these complaints come in the form of “Early Settlement Letters”.
Baker College network officials forward these inquiries or letters to the supervisor of the identified user or, in the case of occupants of residence halls, to the Residence Coordinator. Baker College will not release the name of the student or employee to the alleged copyright holder unless served with a proper subpoena, court order, or other legal process.

By forwarding these inquiries or letters to the supervisor or the Residence Hall Coordinator Baker College has made no determination as to whether the student or employee has engaged in copyright infringement, or that the user should enter into an early settlement with the copyright holder. Baker College believes that users should seek legal counsel before responding to these letters. When the user has removed the offending P2P software the user’s network access is automatically restored.

6.01 FIRE PROCEDURES

FIRE DRILLS AND EXITS:
Periodic fire drills are conducted in order to familiarize residents with the evacuation procedures and emergency routes. Should you discover a fire, no matter how small, sound the fire alarm and exit the building. Notify your RA and/or RHC, if possible. The building should be empty before any attempt is made to contain a fire. Your RA will review fire safety and evacuation procedures for each building. All persons must evacuate the building when a fire alarm is sounded. Lack of cooperation during fire or tornado drills will be considered a serious breach of discipline and students may be subject to disciplinary actions.

FIRE EVACUATION PROCEDURES:
Close windows.
1. Close windows.
2. Before leaving your residence hall unit, feel your door for heat. If it is hot, do not open your door. If your door is cool, exit the building using the evacuation route posted in your unit, or the closest exit door to your location.
3. Once outside, proceed to a safe area (at least 100 ft. from the closest exterior exit) to avoid injury from explosions and heat.
4. Do not return to the building until instructed by a staff person or by the fire department.

FIRE PREVENTION
Students are expected to be alert at all times to the hazards and dangers of fire in their area and to exercise all proper precautions to prevent fire and notify proper authorities of any potential fire and safety hazards. Students are expected to help prevent false alarms and should report any tampering with the alarm system to the RHC or Campus Safety.

ALL OTHER EVACUATION PROCEDURES:
For all other evacuations, Campus Safety and Facilities will coordinate actions for evacuations and re-entry into buildings.

6.02 GENERAL CAMPUS SAFETY
The College attempts to provide a comfortable, safe living environment for residence hall students. The Campus Safety Office is staffed from 7am – 1am.
daily. In addition, residence hall entrance doors are locked electronically twenty-four hours a day. Residents will be able to enter their building by swiping their ID in the card reader. Some entrances are controlled via Closed Circuit Television Cameras, intercoms and electric switches. Students must observe all security and safety rules and policies. They have been developed with your safety and well-being in mind.

Use of another student’s I.D./Access Information/Parking Permit will result in disciplinary action up to and including dismissal from the halls.

**Missing Person Policy & Procedures -Effective September 2009**

Every year residents will be given the opportunity to confidentially register “emergency” contact information for an individual who should be immediately notified after an investigation by Campus Safety confirms the student to be missing for 24 hours. All residence hall students under the age of 18, who are not emancipated, will be informed that the College MUST notify a custodial parent or guardian no later than 24 hours after the student is determined to be missing, and has not returned to campus/housing. If no confidential “emergency” contact information is filed by the missing student, the student is older than 18 years of age, or the student is emancipated, the College will inform appropriate law enforcement agencies of the missing person.

A safe campus and safe residence halls are everyone's responsibility, do your part to protect yourself and others.

**6.03 INSURANCE AND LIABILITY**

All personal property brought into residence halls is at the risk of the owner. Residents are encouraged to insure their own property against personal liability, theft, loss, or damage and to label their valuables.

**6.04 RESIDENCE HALL SAFETY**

Be security conscious! Keep your door locked at all times. Poor door locking habits may cost you loss of personal property. Do not keep large sums of money or other valuables in your room or in easy sight and access to anyone. The College will not assume responsibility for personal items that are abandoned, damaged, lost, or stolen. The Residence Hall Coordinator and/or the Resident Assistant (RA) should be notified immediately if you have cause to believe your residence hall unit has been improperly entered at any time. Any theft should be reported by the student to Campus Safety immediately.

Please report all safety concerns to your RA, RHC, or Campus Safety. If you know of a safety problem and do not report it, discipline may occur.
Residents may not store any gasoline, fuel oil, toxic agents, or other potentially hazardous substances on the premises. Tampering with any safety equipment (e.g. fire extinguishers, smoke alarms, etc.) may result in fines in addition to replacement or repair costs.
Residents may not use any heating method of heating the premises (e.g. space heaters other than that supplied by the college.

6.05 SEVERE WEATHER/TORNADO PROCEDURES
Each residence hall has a designated severe weather shelter location. Take the time to find out where your shelter is located. When notified by the RA, RHC or another College official that shelter is needed, go to that location and remain there until an all-clear signal is given.
In the event of severe weather conditions, you should monitor local weather. You can monitor the weather on local television and radio station. Other options include internet weather sites and NOAA weather radios. If you are advised that shelter is needed, go to your designated shelter area and remain there until an all-clear signal is given.

**Tornado Watch** means weather conditions are favorable to the formation of tornados. **Tornado Warning** means a tornado has been spotted either on radar or by an eyewitness.

If you are unable to reach your assigned shelter, take the following precautions:

1. Go to a place of safety, preferably the basement or first floor of a building.
2. Go to a hallway away from windows and doors.
3. Seek shelter under a heavy table, etc. to avoid injury from flying objects.
4. Stay calm and wait for help to find you.

6.06 EMERGENCY ALERT NOTIFICATIONS:
The **Baker Alert System** notifies the campus community of emergencies and threats to physical safety in emergency situations: tornado, violence, hazardous material incident, College closures, etc. Notifications are by cell phone, landline phone, e-mail and text-message.

The system automatically includes all current students, faculty, and staff on a specific campus, based on their presence in the Baker Directory. If you want to change your emergency contact information, log in to the **SOLAR System** and edit your contact information to add or check your emergency contact number(s). You are the only person who can update this data. Please review it carefully.

6.07 PARKING AND AUTOMOBILES
Residents who have vehicles must register annually for a parking permit at the time of check-in. It is the student’s responsibility to pay fees related to parking
violations prior to the end of the quarter. Residents’ cars cannot be left in the parking lots over breaks. All cars in the parking lot must be in working order. Vehicle maintenance other than minor routine maintenance may not occur in any campus parking lot. Motor vehicles such as motorcycles, dirt bikes, snowmobiles, etc. may not be kept inside the residential facility. Residents are limited to 1 vehicle in Baker College provided parking. No one is allowed to sleep in a vehicle on campus property. Sharing of parking permits will result in disciplinary action. All vehicles on Baker College property must be properly licensed. Any disregard to the parking requirement at housing may result in towing of vehicles at the owners’ expense, discipline, fines, housing reassignment, and/or termination of housing licensing agreement.

Michigan is a no-fault insurance state and residents are required to obtain no-fault insurance coverage on their vehicles. As a non-resident of Michigan if you have no-fault insurance coverage from the state in which you reside, then you are covered in Michigan. If you DO NOT have no-fault insurance from the state in which you reside, and have been in Michigan for 30 or more consecutive days, then you MAY NOT be protected under your current automotive insurance policy. Please check with your insurance company to make sure you are protected in Michigan.
