Would you like the opportunity to take on some responsibility while helping students along the way? The Resident Assistant and/or Orientation Leader position may be the right fit for you! You can pick up an application for both positions in the Residence Life Office Monday-Friday 8am-5pm. All applications are due Monday, April 20th at 4:00pm.

**Upcoming Important Dates:**
Blood Drive in the Meeting Place 11:30am-5:15pm 4/16

**Pick Up Your Trash**
Do not leave any trash on your front or back porch of your unit. If you are found to be in violation, you will be charged $50.

**Blood Drive**
We will be holding the blood drive in the Meeting Place.
April 15th, 2015 11:30am-5:15pm
Please help us get the trophy back while saving lives in the process!

**Items on Porches**
As you have noticed, the weather has finally started changing! Facilities is requesting that if you have items that are on the ground, please pick them up and put them in your unit or on your porch so they are able to mow the grass and pick up the leaves and twigs that have been buried under all the snow. This includes items such as: grills, bikes, chairs, and cigarette containers (on your porch, not your unit). Also, if you take any of Baker College’s chair(s) out onto your porch, make sure you bring them back in after being used. Don’t leave them out overnight! Leaving them out will result in the loss of your chair(s) as well as the possible cost to replace them.

**Wanting to grill out?**
Please don’t let us stop you! However, there are a few guidelines that all students need to adhere to. You must keep the grill at least 20 feet away from any building while it is hot. The grill must only use charcoal to heat your food items. Gas grills and wood are not permitted under any circumstances. Once your grill has cooled down, please move it back up on your porch, and out of the way of Facilities equipment. This also includes the charcoal and lighter fluid.
